Dear Fruit Street School Families:

The school year 2017-2018 was outstanding! Students thrived, teachers and staff worked hard to provide a high quality education, and families were engaged in student learning. I wanted to take a moment to say hello and introduce myself to the new families of the Fruit Street School. My name is Richard Fournier and this is my fifth year as the principal of the Fruit Street School. This community has always maintained a strong commitment to its children and has valued education. I cannot overstate how invested I am in ensuring that every child in the Bangor School System meets the school department's mission of Academic Excellence for All Students.

I am extremely excited to be the principal of such an outstanding school community. This school community has the reputation of caring parents, ambitious students, and a dedicated staff. I, as well as the entire Fruit Street staff, will work tirelessly to provide the best education possible. Effective communication, positive school climate, and hard work will help to enhance the academic environment at the Fruit Street School. I am confident that by working together we can create a successful educational experience for all children.

The Fruit Street School staff is looking forward to a great school year. ***We would like to invite you to our annual Open House on Wednesday, August 29 from 4:30-5:30 p.m.*** This open house will be a great opportunity to meet your child's teacher and for the students to see their classrooms. I am looking forward to meeting and working with each of you. ***The first day of school will be Tuesday, September 4, 2018.*** Enjoy the rest of the summer with your families and friends. We are looking forward to a tremendous school year!

Sincerely,

Richard Fournier, Principal  
Fruit Street School
